***Congratulations on your Harley Davidson purchase!***

Looking for an opportunity to exercise it? How about an opportunity to meet people who also love to ride and share the exhilaration of the wind in your face while laughing with a few friends? If this sounds appealing to you, why not consider the camaraderie of the Harley Owner's Group?

If you've purchased a new Harley Davidson, you're already most of the way there since Paramount and Harley Davidson are already providing you with a year's membership into H.O.G., so the next step is to join a local chapter and start riding!

Don't have a lot of riding experience or intimidated by group riding? Frankly, that's just another good reason to join - to learn some great skills, share your thoughts and get tips from more experienced riders, and feel more confident in the safety of a group. Our chapter has people who've been riding for 50 years or more and people who've just started - there are events and venues for everyone! Have a look at the pictures on our website (<http://MetroWestHOG.com>) and see if you can imagine one of the smiles in the pictures as yours this riding season!

HOG is a family oriented group of motorcycle enthusiasts with the only two purposes -- to ride and have fun while doing it! We'd like to extend an invitation to you to join us at our next ride to find out for yourself, or join us at a meeting. Attached to this letter is a membership application which you can leave with the dealer, bring to a chapter meeting, or mail to the address on the top of this letterhead.

If you have any further questions, please don't hesitate in contacting any one of our chapter officers; our contact information is on the "About Us" page of our website.

Ride and Have Fun!
